Supplemental Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art does not teach or render obvious elastic layer elements being uniform in the circumferential direction and prestrained to varying degrees as a function of axial position so that the sleeve has a tangential stiffness profile which varies in the axial direction and is symmetric with respect to the axial center of the sleeve.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
